Digital thermal film MATT for lamination

Category: Lamination Film

Availability: estimated time of delivery 05.11.2025

code: **268**

Price: 0,00€

(image is symbolic)

Technical specifications

Core: 3 inch Material: BOPP film Surface: Matt Type: Digital dry film Quantity: 1 roll

Width: 320 mm Length: 2000 m

Short description

Digital thermal film has been specially engineered to provide superior adhesion performance on digitally printed outputs.

Thermal film for Matt has been specially engineered to provide superior adhesion performance on digitally printed outputs. The adhesive is engineered to create a chemical bond that enables lamination immediately after printing. The lamination process remains simple, energy efficient and ecofriendly. The product does not produce harmful gases or dangerous substances during its application.
